

Robert Chiasson - Operations Manager, Discount Car and Truck Rentals

For the past 6 years, we at Discount Car and Truck Rentals have been using the services of Colorworks. Our business of renting cars and trucks has been in operation for the past 15 years and our vehicle purchase program commits us to vehicles on buyback programs. These vehicles must return to GM, Ford, Nissan, Toyota and Chrysler as if they are new. Colorworks and Darcy Maw have helped us greatly to cut down on costs and minor repairs. We could not have done this on our own. Colorworks' turnaround time is a big factor in our business. We at Discount Car and Truck Rentals would recommend Darcy and Colorworks to any company that expects great service and workmanship in paint work.
